

HIV Primary Care Follow Up Workshop

Saturday, March 21, 2020

9:00 am – 3:15 pm

Delta Downtown Saskatoon

405 20th St East

Saskatoon, Saskatchewan

Workshop Goals

1. Review key concepts and recent updates in HIV care
2. HIV Prevention with a focus on HIV PrEP (Pre-Exposure Prophylaxis)
3. Be able to recognize common infections amongst people who inject drugs
4. Receive an overview of Hep C treatment and learn about additional Hep C educational opportunities available in Saskatchewan
5. Discuss and explore strategies to help primary care providers achieve and maintain confidence and competency to provide primary care to people living with HIV and/or HCV in Saskatchewan

Presenters

Dr. Sidd Kogilwaimath, Infectious Disease Care Specialist, Sask Health Authority, Saskatoon & Director of Clinical Education for the Saskatchewan Infectious Disease Care Network

Dr. Kris Stewart, Internist, Sask Health Authority, Saskatoon

Dr. Larissa Kiesman, Primary Care Physician, Westside Community Clinic, Saskatoon

Carley Pozniak, HIV Clinical Pharmacist, Positive Living Program, Sask Health Authority, Saskatoon
